If you can never get enough true crime... Congratulations, you've found your people. Morbid: A True Crime PodcastIt's a lighthearted nightmare in here, weirdos! Morbid is a true crime, creepy history and all things spooky podcast hosted by an autopsy technician and a hairstylist. Join us for a heavy dose of research with a dash of comedy thrown in for flavor. We're sending you to 1993 when TGIF reigned supreme and "Boy Meets World" first premiered. Danielle, Will and Rider are going back to school as they rewatch every episode of the iconic series, sharing memories, behind the scenes moments, and all the "Boy Meets World" stories a fan could ever want. Relive your first crush, first kiss, favorite moments and all the life lessons with Topanga, Eric, and Shawn. Created and hosted by renowned media personality Angie Martinez, "IRL" sees Angie and notable guests sitting down to candidly explore the magic of life, it's fragility, purpose and complexities. Angie's conversations will explore legacy, philosophies, and the extraordinary ways we choose to live our real lives. For nearly 100 years, one family traded influence and held power in the South Carolina lowcountry until a fatal boat crash involving an allegedly intoxicated heir-apparent shed sunlight on a true crime saga like no other. Award-winning journalist Mandy Matney of FITSNews.com has been investigating the Murdaugh family since that fateful night in 2019. The now-infamous Murdaugh family is surrounded by seven criminal investigations into fraud, obstruction of justice, the 2021 double homicides of Paul Murdaugh and his mother Maggie, the 2015 murder of young Stephen Smith, the suicide-for-hire plot of family patriarch Alex Murdaugh, and a vast insurance scheme that preyed on the region's most vulnerable citizens. Matney's podcast, ranked #1 globally in 2021, provides unmatched insight into the horrific deaths, botched investigations and newly-uncovered crimes that are all interconnected. Follow along with Matney's reporting in real time from South Carolina as her exclusive sources guide listeners on a journey to expose the truth wherever it leads.
